MUST BE FILLED IN COMPLETELY

Dear Client
Just a reminder, we need a top view (birds-eye view) drawing of the pool. The drawing needs to be on scale and show all benches, steps and breaklines. This is important for us to be able to lay out the cleaning system properly.

TOP VIEW - WITH ALL MEASUREMENTS OF STEPS, SEATS, ETC (BIRDS EYE)

SIDE VIEW - WITH MEASUREMENTS, STEPS, SEATS, DEPTH, ETC.

ADDITIONAL NOTES
